Teacher EXCHANGE[®]
A GREEN INITIATIVE OF THE PUBLIC EDUCATION FOUNDATION

MGM RESORTS INTERNATIONAL[®]

Donate surplus materials to help Nevada school teachers educate future leaders.

THE PROGRAM

In our ongoing efforts to support our local community and reduce waste, Mandalay Bay has teamed up with the Teacher EXCHANGE. The Teacher EXCHANGE is a reuse resource center for all Southern Nevada public school teachers. Donations of new and reusable materials, office supplies, surplus materials, computers, foamcore signs, equipment, and furniture are collected from community businesses and individuals and provided at no charge to teachers to support classroom instruction.

HOW IT WORKS

With contributions from our conventioners, the Teacher EXCHANGE can collect and recycle thousands of pounds of supplies and materials that would have been disposed of in local landfills. These reusable items are then offered by the Teacher EXCHANGE to Southern Nevada's public school teachers to aid in the creation of vibrant and innovative projects and curriculum in their classrooms. Donations to the Teacher EXCHANGE help teachers save hundreds of dollars, which they typically spend out of their own pockets on classroom materials each year.

HOW YOU CAN PARTICIPATE

Mandalay Bay and the Teacher EXCHANGE make it easy to go green in 3 EASY STEPS:

Step 1: Decide you want to "go green" at your next conference.

Step 2: Contact Teacher EXCHANGE at 702-263-6007 or visit www.thepef.org to coordinate your donation pickup. They can provide all of the information you need to make the process easy and seamless.

Step 3: Get excited to know you are part of a great program that helps the environment and the Teachers of Southern Nevada at the same time.

The uses for surplus materials are endless. Public school teachers of Southern Nevada can find creative ways to use almost anything to benefit the education of students. Donation items can include anything from basic office supplies, such as pencils and notebooks, to set-up materials or product samples.

On behalf of the Public School Teachers of Southern Nevada and Mandalay Bay, we thank you for your help.
